Dear colleagues!

We invite you to take part in the II International Congress on Echocardiography "ECHO of White Nights-2018", which will be held in St. Petersburg on October 4-6, 2018 at the Ambassador Hotel (Rimsky-Korsakov Ave., 5-7).

More than 300 Russian and foreign doctors will take part in the Congress: specialists in the field of echocardiography, doctors of functional diagnostics, cardiologists, cardiac surgeons, therapists, doctors of related specialties, researchers, postgraduates, clinical residents, students.

The Congress will discuss current problems of echocardiography, the use of echocardiography in the catheterization laboratory and operating room, the possibility of using other modern imaging methods in the diagnosis of heart diseases. It is planned to hold plenary and poster sessions, an exhibition of medical equipment.

Working languages of the Congress: Russian, English. Simultaneous translation is planned.

Please submit each abstract in 2 languages - Russian and English. The abstracts of the reports presented in Russian will be published in the Collection. Within the framework of the program, it is planned to hold a competition for the best presentation on echocardiography based on abstracts presented in English. The best papers selected by the Scientific Committee will be published in the Journal "Echocardiography" (USA). Congress participants will receive a CERTIFICATE. Conditions for participation in the congress, registration and submission of abstracts - on the website www.onlinereg.ru/echo2018.
